The Jacqueline M. Wilentz Comprehensive Breast Center

Free Screening Mammograms

As part of its commitment to providing enhanced access to breast health care for women, The Jacqueline M. Wilentz Comprehensive Breast Center will continue to offer free screening mammogram for uninsured or underinsured women through “Reach Out for Life: Somebody Needs You®” or “All Women for Life” initiatives from Susan G. Komen for the Cure.

Breast cancer is the second most frequently diagnosed cancer and ranks second as a leading cause of death among women. Early detection and treatment is vital to surviving breast cancer. The Jacqueline M. Wilentz Comprehensive Breast Center will provide free screening mammogram to eligible women:

Eligibility Criteria for free screening mammogram:

- Woman age 40 or above
- Monmouth County Resident
- NJ Driver License, or other valid ID
- Uninsured or underinsured (insurance not cover cancer screening cost)
- Income Eligible
