

A Dog Day Afternoon

Clear blue skies and a brisk autumn breeze set the backdrop for a wonderful afternoon in Verona Park on Sunday, 10/19 for the Saint Barnabas Hospice and Palliative Care Center's first October Tails Halloween-Themed Dog Walk. Approximately 60 costume-clad canines, accompanied by their owners, attended the event which featured vendors, refreshments, poster contests, a hot dog eating contest for dogs, and a costume contest for the best-dressed pooches. Please see below for highlights of the exciting day.
