

Free Breast Screening Mammogram

available through

Reach Out for Life: Somebody Needs You®
at The Jacqueline M. Wilentz Comprehensive Breast Center

When breast cancer is caught and treated in its earliest stages, women have a 98% chance of surviving at least five years after diagnosis. That's why Reach Out for Life is offering free mammograms to the women who need them most.

Reach Out For Life, a program of the Central and South Jersey Affiliate of Susan G. Komen for the Cure have teamed with The Jacqueline M. Wilentz Comprehensive Breast Center at Monmouth Medical Center, one of the nation's most highly regarded, fully digital breast care facilities, to provide free breast screening mammograms to eligible women.

To qualify, you must:

- Be a women, age 40 and older
- Be a Monmouth County resident
- Have a NJ Driver License or other valid ID
- Be uninsured or underinsured
- Income eligibility will be assessed.

**For more information or to schedule an appointment,
call 732.923.7700.**
