

“Born at the Beth”

means so much to so many.

SAINT BARNABAS HEALTH CARE SYSTEM

Newark Beth Israel Medical Center
Children’s Hospital of New Jersey

The Beth Wall of Recognition is a public display that celebrates a birth at The Beth, honors those who were born here in the past, and adds to Newark Beth Israel’s unfolding recorded history. Every name permanently inscribed on this special plaque recognizes each member’s financial support of The Beth.

To Honor Someone Born at The Beth, any family member, friend, or loved one may place a name on the Wall of Recognition, and all persons who were born at The Beth are especially invited to have their names permanently imprinted on this special honor roll. The plaque is updated annually.

The Born at The Beth Wall of Recognition is prominently displayed on the highly visible 2nd floor Osborne Terrace Bridge, adjacent to the Wall of History - an artistic presentation of the history of both Newark and The Beth that was dedicated at The Beth’s Centennial Celebration.

To Reserve a Place on The Born at The Beth Wall of Recognition simply fill out and return the form. For each name on the Wall of Recognition, there is a one-time gift to The Beth of \$100 or \$50.

For more information about the Born at The Beth Wall of Recognition or about other opportunities to support Newark Beth Israel Medical Center and Children’s Hospital of New Jersey, please contact The Newark Beth Israel Medical Center Foundation at 973-926-7018, or visit our website at www.newarkbethfoundation.org.

“Born at the Beth” means so much to so many.

To those reminiscing about growing up in greater Newark years ago, remembering The Beth as one’s birthplace is to acknowledge both its extraordinary tradition of medical achievements and its pivotal role in the community as a sheltering beacon of warmth, healing and social service.

To those born more recently, beginning life at The Beth is a shining example of the dedicated pledge of the founding Jewish community to care for all those in need including individuals of every race, creed and background. To this day, The Beth remains as committed as ever to providing state-of-the-art medical care and to encompassing and embracing the diverse population beyond its walls. We provide innovative outreach health services for everyone from newborns to senior citizens.

To today’s parents, Born at The Beth brings to mind the Medical Center’s Mother-Infant Pavilion where the joyous celebration of new life begins for nearly 4,000 babies each year. The Beth is a leader in diagnosing and managing high-risk pregnancies as well as providing expert intensive care for mothers and newborns. To mothers and babies at risk The Beth serves as a vital referral site.

Born at The Beth also represents the celebration of all life – apparent in such history-making achievements and accomplishment as:

- ◆ The only hospital in the state to perform the entire spectrum of heart-related procedures for children and adults, and one of the top ten heart transplant programs in the U.S.
- ◆ The only state-certified Lung Transplant Program in New Jersey for the treatment of severe, non-malignant pulmonary disease
- ◆ Home to Children’s Hospital of New Jersey, with more than 30 pediatric specialties and sub-specialties
- ◆ One of the nation’s largest Neonatal Intensive Care Units for the care of fragile newborns
- ◆ A 19-bed Pediatric Intensive Care Unit, the largest in the State
- ◆ A surgical robotic training center, providing the most comprehensive robotic surgery program in the U.S.
- ◆ A Comprehensive Cancer and Blood Disorders Center
- ◆ Comprehensive Center for Geriatrics and Health Care

As we look back at our past achievements with pride, and to the future, with The Beth continuing to be a leader in healthcare, we invite you to become part of a new tradition — our born at The Beth Wall of Recognition. Were you or any of your family members or friends born at The Beth? Has your new baby just arrived? We invite you to honor a grandparent, parent, sister, brother, son, daughter, uncle, aunt, cousin, grandchild or friend by inscribing their names on our Born at The Beth Wall of Recognition. All proceeds from this recognition wall will benefit and enhance our ability to continue to provide superior medical services.

Thank you for your support and commitment to The Beth, we look forward to including you in honoring our medical excellence and helping to secure Newark Beth Israel Medical Center and Children’s Hospital of New Jersey for future generations.

John A. Brennan, MD
Executive Director
