Medela parts available

Education regarding breast pump usage and care is provided with each purchase/rental.

To make rental arrangements or to purchase any of these products, please call **973.322.5360** for availability. Payment, by check, cash or credit, must be made at the time of rental or purchase.

**Office hours are Monday through Friday from 9 a.m. to 4 p.m. in the Women's Health Education Office** located on the third floor of the main hospital. On weekend or after hours, please go online to **ameda.com** for other rental/purchase locations.

## Women's Health Education

# Breastfeeding Accessories and Equipment

To help make your breastfeeding experience more convenient, we will assist you in determining both your needs and sizing.

The following items are available for purchase. Please call 973.322.5360.

## BRAS

**Sleep Bra** - light support for nighttime nursing

**Nursing Camisole** - black or white, extra layer of fabric for elevated support; drop cup for easy access for breastfeeding

**Hands Free Pumping Bra** makes ANY electric breast pump hands free

## BODY SUPPORT

**Maternity Support Band** - gentle support throughout pregnancy; helps ease back pain

**Post Partum Support Band** - gentle abdominal support after delivery or surgery

## BREASTFEEDING

**Breast Shells** - worn during pregnancy and after to assist in withdrawing flat or inverted nipples

**Latch Assist** - helps with flat or inverted nipples; used after baby is born

**Nursing Pads** - used inside bra to assist in collecting leaking milk

**Nursing cover-up** - used to nurse your baby discreetly

**My Brest-friend Nursing Pillow** - many uses including nursing multiples; choice of pattern

**Lanolin** - soothes sore nipples

**Nursing Gel Pads** - reusable; aid in soothing painful nipples

**Nursing Foot Stool** - white or wood; aids in back support during breastfeeding

**Nursing Mother's Companion** - a how-to book recommended by lactation specialists

## PUMPING

**Permanent Double Pumping Kit** - Needed with Ameda Rental Pump

**Collection Bags** - to collect, store and freeze breast milk

**Flanges** - part of pump directly on breast; a better fit increases your milk supply when pumping

**Bottle Set** - for breast milk collection and storing

**Cooling Carrier** - tote with ice packs for transporting breast milk safely

*Replacement parts for Medela and Ameda Breast Pumps*

## CLEANING

**Quick Clean Bags** - steam cleans pump parts; eliminates 99.9% germs

**Quick Clean Wipes** - allow cleaning without access to soap and water

**Special Needs Items**

If a NICU baby has special feeding needs, we can assist you

**Videos**

**The Happiest Baby on the Block** - DVD and CD

**Preparing Fido** - a CD of baby sounds to help prepare your pet

**Keepsake Bootie** - a porcelain figurine, available in classic style or sneaker, personalized with baby's name and birth information
